29 October 2017

Dear Matt,

On behalf of the Como Rotary Club and Wesley College, we wish to express our thanks and sincere appreciation for your generous sponsorship of our recent Classic Car Show community fundraiser event.

The weather was kind to us, and this attracted a good number to attend. Of course the 218 classic cars on display was the major attraction.

The fundraising achieved was \$16,500, which puts the Club in a sound position to support local community groups in need, such as Start Over Support, and NGALA, just to mention two local groups.

We also support Rotary sponsored leadership development programs, for students and young adults, which can be life changing programs for our community leaders of tomorrow.

We will be in contact shortly to invite you along to a Sponsors Night at a Club meeting. This is to collectively thank all our kind sponsors, who are so important in making the event a success, and we look forward to this partnership continuing in the future.

Kind Regards

John Dodman

On behalf

Como Rotary Car Show Committee
