Dear Kirsty and Matt,

RE: RENOVATION CONSULTANCY REPORT

The purpose of this letter is purely to convey my appreciation of the "Renovation Consultancy" report I received for the Collier Park Retirement Village.

The information contained within this report was concise and very accurate and enabled me to present numerous options to the Director and the Executive team of the City of South Perth.

Again thank you for the professional service and personal approach that we have come to expect from Garmony over our many years of association.

Kind regards,
